New Business:

The MEA Fall event has been rescheduled due to Parent/Teacher Conferencing schedule. We feel that the next good time to plan the event would be sometime in the first two weeks of December. Margie Long has volunteered to be the organizer of the event.

A "Did You Know?" section was proposed for the newsletter, describing positive things going on with our members in their classrooms or job sites.

MEA had an information table at the recent health and benefits fair. We hosted a drawing to win some nice prizes. Mike Preston is the winner!! Whoo Hoo!

*The Executive Team has plans to meet with Superintendent Rick Molitor on Tuesday, September 20th to discuss issues of employee morale and concerns that have arisen at the start of this school year.

*The next MEA meeting is October 10th, 2011.

*Metolius is responsible for bring food to our next meeting. Kermit Kumle has agreed to provide sustenance for us all. Thank You!

*The next school board meeting is October 24th. Julie Nisley, Carrie Mcpeak de Regnier & Becky Dudley have agreed to attend. Thank You!

The meeting was adjourned at 6:30 p.m.

Respectfully submitted,

Becky Dudley
